S.No	Date	Title of the Activity	Brief Description	Image
1	04.10.2025	GOVERNMENT DEGREE COLLEGE R.S. PURA OBSERVES WILDLIFE WEEK	The Department of Environmental sciences in collaboration with the Eco-Club of Government Degree College R.S. Pura organized a special lecture on the theme Human and Wildlife Coexistence. The program was inaugurated by the principal of the college Dr. Prof. (Dr.) Preetpal Kour, who highlighted the importance of conserving biodiversity for ecological balance and sustainable development. In her address, she emphasized that students, as future custodians of nature and must play a proactive role in spreading awareness regarding protection of flora and fauna. The event aimed at sensitizing students about the urgent need to protect biodiversity and safeguard natural habitats. The keynote lecture was delivered by Dr. Muzafar A. Kichloo, who enlightened the students about highlighted the importance of wildlife in maintaining ecological balance, the threats posed by habitat destruction, poaching, and climate change, and the role of youth in spreading awareness for conservation. As hort documentary related to biodiversity conservation was also screened on the occasion. Students actively participated in the interactive session, sharing their views on the role of community involvement in wildlife conservation. The programme concluded with a pledge to protect nature and spread awareness in society.	 

2	04.10.2025	GDC R.S PURA ORGANIZED A SPECIAL LECTURE TITLED “SHARING SKILLS: EMPOWERING PEERS AND COMMUNITIES IN THE DIGITAL AGE” TO CELEBRATE DAAN UTSAV-2025	In an increasingly digital world, knowing how to use technology is not just a convenience, it's a necessity. To bridge the digital divide, a special lecture titled “Sharing Skills: Empowering Peers and Communities in the Digital Age” was organized to celebrate Daan Utsav-2025 as a part of Viksit Bharat Yuva connect Program by the NSS unit of GDC R.S Pura under the patronage of worthy principal Prof. (Dr.) Preetpal Kour and supervision of Prof. Lukesha Dubgotra, NSS PO. This lecture was delivered by Prof. Lukesha Dubgotra and aimed to inspire attendees to become digital mentors within their own families, neighborhoods, schools, and workplaces. From using AI tools like ChatGPT to mastering mobile payment platforms like Paytm, to creating engaging content like reels and edited videos were highlighted in this session. In her address, worthy Principal emphasised the importance of bridging the digital divide between generations and communities, increasing access to opportunities in education, entrepreneurship, and employment, and building stronger, more connected communities through peer learning. The session was attended by prominent faculty members of the college. The whole event was coordinated by Prof. Lukesha Dubgotra and committee members of the NSS unit.	 
3	08.10.2025	GDC R.S. PURA ORGANIZES EXPERT LECTURE ON KNOWING MEDICINAL AND TOXIC PLANTS	Government Degree College, R.S. Pura and IIC Team organized an expert lecture on the topic “<i>Knowing Medicinal and Toxic Plants</i>” to enhance students’ understanding of the dual nature of plant species in terms of their medicinal and toxic properties. The event was held under the able patronage of Prof. (Dr.) Preetpal Kour, Principal of the college. The lecture was organized by the Department of Botany as part of its academic enrichment activities. The resource person for the session was Dr. Nirp	

			Kishore Pankaj, Department of Pharmacology, SKUAST-J, who delivered an insightful presentation on the identification, uses, and potential hazards of various medicinal and poisonous plants found in the region. He also emphasized the importance of traditional knowledge in modern medicine and the need for responsible use of plant-based products. In her address, Principal Prof. (Dr.) Preetpal Kour appreciated the efforts of the Department of Botany for organizing such a relevant and informative lecture. She encouraged students to develop a scientific outlook while exploring the rich biodiversity around them and to use this knowledge for the welfare of society. The session witnessed enthusiastic participation from students and faculty members, who actively interacted with the expert and gained valuable insights into the fascinating world of medicinal and toxic flora. The program concluded with a formal vote of thanks proposed by Dr. Neeti Chhibber. Dr. Rajinder Kumar Sharma, Head of the Department of Botany, Dr. Renu Sharma and Dr. Kiran Lata extended heartfelt thanks to all faculty members, participants, and volunteers for their cooperation and dedication, which contributed to the event's resounding success.
