S.No	Date	Title of the Activity	Brief Description	Image
	02.02.2024	WORLD WETLAND DAY	Every year February 2nd is observed as World Wetlands Day to spread awareness about the vital role of wetlands for people and our planet. The theme for this year is "Wetlands and Human Wellbeing". This day commemorates the adoption of the convention on wetlands on 2 February 1971. To celebrate the day NSS unit in collaboration with the IIC and Viksit Bharat Club of the college organize a seminar in the college campus with the aim to raise global awareness about the vital role of wetlands for people and planet. Students of the college enthusiastically participated in the event by sharing their views and ideas as the wetlands are responsible for a very diverse ecosystem and the ecosystem will be spoiled if the wetlands cease to exist. The wetlands are a beautiful part of our ecosystem and we should take care of the wetlands. The event was organized under the able guidance of Dr. Rajni Bhagat, esteemed Principal of the college. While speaking on the occasion Dr. Chanchal Angral NSS PO and President IIC. exhorted that, the environment helps in protecting the ecosystem, changes affecting the ecosystem place multiple species in the danger of extinction necessitating the need of protecting the environment. Ecosystems are deeply connected to one another. It is crucial to protect the environment to reduce the destruction of eco-systems caused by a myriad of anthropogenic activities.	

2	05.02.2024	"WORLD CANCER DAY"	World Cancer Day is observed on February 4 annually to raise awareness of cancer and encourage its prevention, detection and treatment. The day is marked by different initiatives under the United Nations program to end the injustice of the preventable suffering from cancer. This year the theme for World Cancer 2024 is "Together, we challenge those in power" which aims to encompass the global demand for leaders to prioritize and invest in cancer prevention and care and to do more to achieve a just and cancer-free world. Keeping this in mind Red Ribbon Club of GDC R. S. Pura organise an extension lecture for the benefit of the college student under the banner of Viksit Bharat @2047 Govt. initiative. The primary objectives of the event are to dispel myths and misconceptions surrounding cancer and promote education about risk factors and prevention strategies to foster a sense of solidarity among cancer survivors, patients, caregivers, and the wider community. The event was organized under the able guidance of Dr. Rajni Bhagat, esteemed Principal of the college. She exhorted that, World Cancer Day is a day to inspire actions, and policy changes to minimize the infection and provide support and care to the affected individuals through collective efforts. This annual event emphasizes the need to address challenges posed by cancer and work towards its prevention and control. Also, the day aims to reduce the increasing number of cancer patients through early detection and access to timely and quality treatment.
