**GOVERNMENT DEGREE COLLEGE,
R.S. PURA**

VISION

Government Degree College R.S. Pura envisions to be an institute committed to the pursuit of academic excellence. It aims to create conducive ambience for teaching-learning process in the campus. It further envisages to inculcate ethical and moral values in the students to make them responsible citizens of tomorrow.

MISSION

- ▶ To provide students with ample opportunities for optimum development of their talents.
- ▶ To inculcate among students the quality of honesty, integrity, creativity, self-discipline and simplicity for their comprehensive development.
- ▶ To strive to equip the campus with latest ICT tools at par with the institutes of academic excellence.
- ▶ To augment entrepreneurial skills and technical knowledge of the students by organizing various skill enhancement courses in collaboration with approved Government agencies.
- ▶ To develop higher degree of perseverance among the students to achieve their future targets in life.
- ▶ To make the students versatile by developing their multi-dimensional personalities.

FROM THE PRINCIPAL'S DESK

It gives me immense pleasure in presenting before you the IXth volume of Newsletter VARTIKA. The Newsletter highlights the achievements and activities of the College in different spheres.

This college Newsletter is a forum that has made an earnest attempt to inform, engage and inspire diverse leadership which exemplifies the voyage and exhibits the literary skills of our students. I am sure that through these pages, readers will get a bird's eye view of the departmental events, notable achievements, fond memories and creative writing that are informative and resourceful. It is quite inspiring to witness the potential of our students unfolding at various stages and situations each day.

It is the desired aim of every institution of learning to channelize the competencies of the young generation. This is precisely what our institution aims at doing by inspiring each of the young students to realize their potential and make a difference in the world around.

The activities carried out by the college are going to pave way for our students to utilize their creative and expressive energies to meet the challenges ahead. Creativity is unique form of originality which is inherent in every individual and is not restricted only to great persons in fields of sciences, fine arts, music or humanities.

A college epitomizes a premier institute of learning and career structure. It serves as the main gate to all routes leading to success in different areas of professional life. Teachers strive to provide the essential motivation, supervision and backup to the students with devotion and honesty in their desired field so that after passing out they become self sufficient and are able to contribute their best to the society and the nation, and to face the world in a better way. Needless to mention our faculty has taken personal pains to motivate and encourage the students. We are committed to maintain the impeccable image of the institution. In this era of competition, it is of paramount importance for our students to be equipped with appropriate knowledge, habits, attitudes and values leading to their holistic development.

I take this opportunity to congratulate the Editorial team and the faculty for their commitment and unstinted efforts. I wish the Newsletter Team success in all future endeavors.

Principal

EDITOR'S NOTE:-

It is my proud privilege to offer this IXth Volume of the College Newsletter VARTIKA. As we all know, a Newsletter inspires and motivates students and staff alike, for it reminds them of the goal that they had once to do something extraordinary. Every student is blessed with certain hidden qualities but sometimes it goes unnoticed and untapped by the parents and the College. We make a sincere endeavor to channelize their hidden potentials into positive reinforcements.

This volume of the College Newsletter is a brief account of the important events held upto November, 2023. This is only a step towards a long journey. Government Degree College, R.S. Pura under the supervision of Dr. Rajni Bhagat, Principal of the College, has successfully overcome the hindrances confronted on way to the progress of the College. I extend my heartiest thanks to all the staff members and students who helped me in bringing out the IXth Volume of VARTIKA.

INTRODUCTION TO COLLEGE

Government Degree College, R. S. Pura is the only institution of higher education in the border town of Ranbir Singh Pura, which is named after the renowned Dogra Ruler Maharaja Ranbir Singh. It was established in the year 2005 to cater to the educational needs of the people of R.S. Pura. The college offers quality education with a variety of subjects in both science and arts streams. A well-developed infrastructure creates an environment conducive to learning, offering students the resources they need for both academic and personal growth. For this, the college has got a robust library which is not only a repository of books, but a hub of knowledge and innovation. The institution is well equipped with modern science and computer labs. The lush vegetation cover adds a touch of tranquility and also serves as a living laboratory for the environmental studies. The college ensures equal opportunities for both boys and girls and the provision of scholarships for needy students ensures that financial constraints do not hinder their education.
