Perhaps you are aware that like other Universities, original EVALUATION as well as the RE-EVALUATION, The assessment is only bringing down the quality of higher education, which was once held in high esteem and considered prestigious, and which the academicians of the Country had carried forward with their tremendous hard-work, and is also down-grading the good image of the Cluster University as well as the teaching fraternity as a whole. Therefore, in order to curb this menace, we at the Cluster University of Jammu need your support. I shall feel grateful if, while setting the question paper, where ever objective questions are to set, you do not forget to formulate a KEY for making the answers. To my mind, it may include standard answers to each question and the method of awarding marks of the same. I am aware that this effort is bound to increase tremendously, the already heavy load of your academic and administrative responsibilities, yet being aware about your kindness and generosity, I am confident that you would kindly continue to provide your goodwill and co-operation as heretofore.

Your cooperation for both setting of questions paper as also the Key for evaluation shall be immensely valued by all of us.

Sir/Madam,

It is our privilege to request you to kindly act as Paper-Setter/Examiner in the subject of CHINA of the 1st SEM Course No. 201.7. Kindly set 2 different sets in duplicate of the Question papers on the material sent herewith as per enclosed syllabus and arrange to send it to the Controller of Examinations, Cluster University of Jammu, as the earliest in the enclosed envelope duly stamped of proper value.

Perhaps you are aware that like other Universities of the country, we are also observing both original EVALUATION as well as the RE-EVALUATION. The assessment by different Examiners about answers written to the questions set in the question papers often differs enormously. This difference is not only bringing down the quality of higher education, which was once held in high esteem and considered prestigious, and which the academicians of the Country had carried forward with their tremendous hard-work; and is also down-grading the good image of the Cluster University of Jammu need your support. I shall feel grateful if, while setting the question paper, wherever objective questions are to set, you do not forget to formulate a KEY for making the answers. To my mind, it may include standard answers to each question and the method of awarding marks of the same. I am aware that this effort is bound to increase tremendously, the already heavy load of your academic and administrative responsibilities, yet being aware about your kindness and generosity, I am confident that you would kindly continue to provide your goodwill and co-operation as heretofore.

Your cooperation for both setting of questions paper as also the Key for evaluation shall be immensely valued by all of us.

However, if you are ineligible for any of the reasons mentioned in the general instructions or unwilling to accept the offer, all the papers sent here with may please be returned immediately in the envelope sent herewith (duly stamped).

Subject Paper Setting

Sir/Madam,

It is our privilege to request you to kindly act as Paper-Setter/Examiner in the subject of *Psychology* Course / Paper Code No *1111101301* of the Examination 2015. Kindly set *12* different sets in duplicate of the Question paper on the material sent herewith as per enclosed syllabus and arrange to send it to the Controller of Examinations, Cluster University of Jammu, at the earliest in the enclosed envelope duly stamped of proper value.

Perhaps you are aware that like other Universities of the country, we are also observing both original EVALUATION as well as the RE-EVALUATION. The Assessment by different Examiners about answers written to the questions set in the question papers often differ enormously. The difference is not only bringing down the quality of higher education, which was once held in high esteem and considered prestigious, and which the academicians of the Country had carried forward with their tremendous hard-work, and is also down-grading the good image of the Cluster University as well as the teaching fraternity as a whole. Therefore, in order to curb this menace, we at the Cluster University of Jammu need your support. I shall feel grateful if, while setting the question paper, where *new* objective questions are to set, you do not forget to formulate a KEY for making the answers. To my mind, it is a *very* high standard answer to each question and the method of awarding marks of the same. I am aware that this effort is bound to increase tremendously, the already heavy load of your academic and administrative responsibilities, yet being aware about your kindness and generosity, I am confident that you will *very* happily continue to provide your goodwill and co-operation as heretofore.

Your cooperation for both setting of question papers as also the Key for evaluation shall be immensely valued by all of us.

However, if you are ineligible for any of the reasons mentioned in the general instructions or unwilling to accept the offer, all the papers sent here with may please be returned immediately in the envelope sent herewith (duly stamped).

Please keep this assignment strictly CONFIDENTIAL.

The university is making payment of remuneration on submission of remuneration bill, (enclosed with this offer) complete in all respects, you are therefore, requested to kindly send the same along with Question papers, in a separate cover so that the payment is made to you at the earliest.

Sir/Madam,

A. Hon'ble [?] is our privilege to request you to kindly act as Paper Setter/Examiner of the subject of [?] course No. Paper UPSHTC - 10/ of the B.A. Hon'ble I Semester examination 2019. kindly set 2 different sets in duplicate of the Question Papers on the material sent herewith as per enclosed syllabus and arrange to send it to the Controller of Examinations, University of Jammu, Jammu at the earliest in the enclosed envelope duly stamped of proper value.

Perhaps you are aware that like other Universities of the country, we are also observing both original EVALUATION as well as the RE-EVALUATION. The assessment by different examiners about answers written to the questions set in the question papers often differs enormously. This difference is not only bringing down the quality of higher education, which was once held in high esteem and considered prestigious, and which the academicians of the Country had carried forward with their tremendous hard work, and is also down-grading the good image of the University as well as the teaching fraternity as a whole. Therefore, in order to curb this menace, we at the University of Jammu need your support. I shall feel grateful if, while setting the Question Paper, wherever objective questions are to set, you do not forget to formulate a KEY for making the answers. To my mind, it may include standard answers to each question and the method of awarding marks of the same. I am aware that this effort is bound to increase tremendously, the already heavy load of your academic and administrative responsibilities, yet being aware about your kindness and generosity, I am Confident that you would kindly continue to provide your goodwill and co-operation as heretofore.

Your cooperation for both setting of the question paper as also the Key for evaluation shall be immensely valued by all of us.

However, if you are ineligible for any of the reasons mentioned in the general instructions or unwilling to accept the offer, all the papers sent herewith may please be returned immediately in the envelope sent herewith (duly stamped).

Please keep this assignment strictly CONFIDENTIAL.

The University is making payment of remuneration on submission of remuneration bill enclosed with this offer complete in all respects. You are therefore, requested to kindly send the same alongwith Question Papers, in a separate cover so that the payment is made to you at the earliest.
