Dear Respected Principals,

It gives me immense pleasure to introduce myself as the Zonal Head of IL&FS Skills Development Corporation based at Jammu. We have been chosen to implement the pilot phase of vocationalisation of higher education under the auspices of the Directorate of RUSA in 20 selected colleges in our State. Of these, nine colleges fall in the Jammu Division. Due to weather constraints, it has been decided by the Directorate (RUSA) to initially commence the vocationalisation in the nine selected colleges of Jammu Division and later expand our operations to Kashmir and Leh Divisions. An MoU to implement the mandate was signed between the Respected Director RUSA and the undersigned on 29 Dec 2017 at Jammu.

In order to arrive at a course of action to take this mandate forward with efficiency and speed a meeting has been planned at 11AM on 02 Jan 2018 in the Office of the RUSA Directorate, Jammu, wherein all concerned Principals are requested to attend. Director RUSA has also kindly consented to address this meeting. The agenda of the meeting is to apprise all the Principals about the modalities of the mandate and the methodology to be followed for implementation. Accordingly I request all respected Principals to spare time on 02 Jan 2018 to attend the above meeting.

Wishing you all a very happy, healthy and bright New Year

Regards

Colonel M M Shah

Dear Madam/Sir,

Greetings from TATA CONSULTANCY SERVICES

We appreciate the interest shown by you in increasing the employable skills among the non-engineering graduates.

### About the program:

The Youth Employability Program (YEP) stems from the Tata Affirmative Action Program (TAAP) under the CRS umbrella and has been driven over the past 10 years addressing the challenge of unemployment within India. TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream economy, and shall have a dignified life. The program aims at providing Free Employability Training for the SC/ST and other economically weaker candidates. The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs. In terms of geographic reach, the program is currently operating in over 30 states / UTs and 200 districts, with over 12,000 trainees per annum, and we wish to continue to increase its reach and scale.

### Kindly find below the prerequisites to commence the training program:

1. Training Batch Count: Maximum accommodation of 50 students per batch in digital mode of training. For physical training, we can accommodate 60 students at max in one batch.

(Digital Batch: 45-50 working days, 2 hours/day, Mon - Sat)

(Please note – COVID alert: In case of physical mode of training students must be seated in a large room at least at 2m from each other. Open air seating is preferred. All of them should be wearing masks and need to carry hand

ers.)

### How to start the training?

Step 2: List of eligible candidates will be shared by us with you. The list will also be shared by us with the training engagement team who shall allocate the trainer for the batch.

Step 3: The training engagement team will get connected with you and enable orientation about the program with the eligible candidates. Post which the training will start.

In addition, the trainee shall be guided and encouraged to also apply in job market as per suitable vacancies available for freshers across the industries including TCS by going through the standard process, as and when the same gets scheduled.

**TCS EMPOWERS**

## **About the program:**

The Youth Employability Program (YEP) stems from the Tata Affirmative Action Program (TAAP) under the CRS umbrella and has been driven over the past 10 years addressing the challenge of unemployment within India. TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream economy, and shall have a dignified life. The program aims at providing Free Employability Training for the SC/ST and other economically weaker candidates. The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs. In terms of geographic reach, the program is currently operating in over 30 states / UTs and 200 districts, with over 12,000 trainees per annum, and we wish to continue to increase its reach and scale.

## **Training details:**

The training will be of about 100 hours, covering standard modules prepared by TCS on Business Skills, Communication Skills, Quantitative Aptitude, Logical Reasoning, Computers, Interview Skills, Resume Writing to name a few.

This would be followed by trainings on specific domains. Additionally, trainees will also be guided to take up Free Self-Learning Courses such as those offered by TCS iON portal.

## **Cost of Training:**

Free

## **Training Duration:**

- Physical Batch: 20-25 working days, 4-6 hours/day, Mon – Sat
- Digital Batch: 45-50 working days, 2 hours/day, Mon - Sat

(Please note – COVID alert: In case of physical mode of training students must be seated in a large room at least at 2m from each other. Open air seating is preferred. All of them should be wearing masks and need to carry hand sanitizers.)

## **On successful completion of the training:**

The trainees will receive a digital certificate of participation and completion from TCS which will stand as a testimony and accreditation of their employability prospects in the corporate world.

In addition, the trainee shall be guided and encouraged to also apply in job market as per suitable vacancies available for freshers across the industries including TCS by going through the standard process, as and when the same gets scheduled.
