Whereas, 52 posts of Lecturers in Chemistry were referred to Public Service Commission on 17.7.1997 for making selection of candidates from amongst the Open as well as In-service category candidates.

Whereas, these posts were categorized in Open and In-service categories in the following manner:

Open Category:	32
In-service Category:	20

Whereas, two more posts under Open category were subsequently referred to the Public Service Commission on 16.10.1997 making the total number of posts to 34 for Open category candidates:

Whereas, the Public Service Commission communicated the selection of 10 candidates under In-service category in the first stage vide their letter No: PSC/28-DR/Chem-15/97 dated 18.12.98 and also placed three candidates in the waiting list which was valid upto 18.12.1999;

Whereas, the Department appointed 17 candidates in the first stage vide Govt. Order No: 45-HI of 1999 dated: 22.2.1999, Govt. Order No. 22-HI of 1999 dated 22.2.1999 and Govt. Order Nos. 67-HI of 1999 dated 22.2.1999 and the appointment of three candidates were with-held on the advice of Public Service Commission;

Whereas, the Public Service Commission, subsequently released the appointment of the remaining three candidates in the second stage and accordingly appointment orders in their favour were issued under Govt. Order No: 448-HI of 1999 dated: 15.11.1999 and Govt. Order No: 177-HI of 2000 dated: 30.5.2000.

Whereas, 21 posts were available in the waiting list under In-service category.

Whereas, the Public Service Commission communicated the selection of 34 candidates for appointment against the Open category posts and also attached the waiting list of 34 candidates under letter No: 31-HI/DR/Chemistry/97 dated: 12.12.2000;

Whereas, the Department appointed all the 34 candidates against the posts which were referred to the Commission and also

appointed the 34 candidates available in the waiting list
under the 40% quota of appointment under Open category to 20
candidates under In-service category. When 34
candidates were appointed out of the waiting list against the
direct quota, then, at that point of time, the respondents
should have filled the posts meant for in-service candidates
also as per the ratio of 60:40. This has not happened in
this case. In view of the above, this petition is allowed.
The respondents are directed to see to it that the quota of
in-service candidates which has not been adhered to and which
fact, as indicated above is apparent from the stand taken
by respondents would be maintained. The claims of the
petitioner for appointment would be considered in case he
comes within the ratio proportion of 40% of in-service
category, he be appointed in the selection process already
under-taken. As is apparent from the stand of respondents
that 68 candidates have been appointed in the Open category,
therefore, the ratio of in-service candidates would be
examined as per the ratio of 40 percent and the claims of
the petitioner, as indicated above would be considered
against the said ratio. Let this be done and appropriate
orders passed within a period of two months, from the date
a copy of this order is made available to the respondents
by the petitioner. In case, the petitioner comes within the
ratio meant for in-service candidates i.e. 40%, then he would
be given the same benefit v.e.f. the date, the other similar
situated persons have been given and the seniority position
would be maintained accordingly".

Whereas, the Hon'ble High Court decided the writ petition
in favour of the petitioner and passed following order on 26.1.2002:-

Whereas, in terms of the Court orders, the Public Service
Commission vide their letter No; PSC/28-DR/Chem-IS/97 dated;
18.9.2002, allotted Sr. No. 33 to Shri Rajinder Singh, in the
main list recommended by the Commission on 18.12.1998;

Whereas, according to ratio of 60:40 between Open and
in-service categories, 53 posts were due for Open candidates and
35 for In-service category candidates out of the total of 88 posts.

Whereas, the Department has appointed 68 candidates under
Open category against the due share of 53 whileas only 20 candidates
have been appointed under In-service category leaving a balance of
15 posts.
