Government Degree College, R.S Pura organized an online Lecture on the Topic **“DUGGAR SANSKRITI TE DOGRI BHASHA”** to celebrate India’s rich culture and Heritage as part of **“AZADI KA AMRUT MAHOTSAV”**. The event was conducted under the guidance of Dr. G.S Rakwal, Principal of the College and Supervision of Dr. Anuradha, Convener Cultural Committee in collaboration with Department of Dogri. The event started with the welcome address by Dr. Sheetal Devi, Department of Dogri.

Dr. Sandeep Dubey, Assistant Professor, Department of Dogri, University of Jammu was the guest speaker on the occasion. In his informative lecture, he talked about the growth of Dogri Literature. Dogri has a old tradition of oral literature but there exists rich treasure in written texts in form of folk songs, folk tales, riddles, proverbs, idioms etc. Dogri literature depicts the various aspects of rich Dogra Culture. Dogra Culture in its pristine form is very earthly as it consists of diverse people from plains, forests, mountains, tribes, non-tribes and much more. Dr Dubey encouraged the students to read Dogri Literature so that they may know our glorious culture and history.

The lecture was concluded with formal vote of thanks by worthy principal of the college to the resource person, faculty members and participating students.

Rakwal organized a webinar to celebrate National Technology Day. Mr. Rajat Jain, Chief Manager, SBI was the keynote speaker on the occasion. The event started with a welcome note by Prof. Amit Singh. He asked the audience to pledge to contribute towards Science and Technology through dedicated hard work for a sustainable future of our motherland. The Head of the Department of Computer Application, Prof. Neha Jain, through her presentation shared some data about the country's journey in technological advancements from ancient times to present date. She also shared some data about the status of various industrial technologies in India and the Policy support to them by the Government of India. Mr. Rajat Jain highlighted the fact that Banks have traditionally been in the forefront of harnessing technology to improve their products, services and efficiency. Advancements in Banking Technology are important for the growth of economy and for a sustainable future. He told about the technological evolution of the banking system of India since Independence and also presented the role of banking technology in strengthening the economy and promising a sustainable future.

The Principal of the college, Dr. G.S. Rakwal thanked the keynote speaker for his informative talk and also said that banking technology is the backbone of the economy of the country and the citizens should be made aware of the advancements in this technology so that they can be better utilized and contribute towards a sustainable future.

The webinar concluded with a formal vote of thanks by Prof. Neha Jain.

The Department of Sociology GDC R. S. Pura organized an Online Extension Lecture on "Problems of Tribes". The resource person of this lecture was Dr. Aasif Ali Naikoo, an eminent scholar from Department of Sociology, Barkatullah University Bhopal, MP India. The lecture was organized to enable the students to understand the different aspects of Indian tribal life like distribution of tribes in India, various problems of tribes etc. the lecture has been attended by over hundred participants including students and faculty members. Prof. Jai Mala Thakur, Head Department of Sociology delivered the welcome address and conducts the proceedings of the webinar. Dr. Aasif Ali Naikoo explained the main problems faced by the Indian tribes. He also highlighted the major issues like Social, Religious, Educational, Health related problems and many more. He further said that tribals are backward and poor living in naturally isolated regional inhabitant. He said that tribals in remote areas are still devoid of common infrastructural facilities of road and communication, health and education, safe drinking water and sanitation, which donot allow them to absorb technological and financial help provided by Government. He also discussed the various measures regarding tribal development in India. Dr. Gurdev Singh Rakwal, Principal of the college in his message said that Independent India has been paying due attention to the problems of the Scheduled Tribes and attempts are being made to deal effectively with those problems. He also said that we should aware these backward sections of society about their rights. The lecture ended with a vote of thanks to the Principal, the resource person, faculty members and participating students.
